

Our Purpose

The Women's Entrepreneurship Hub (WE Hub) is a digital platform launched by Women Employed to support women entrepreneurs across Illinois, particularly those navigating barriers to access. The WE Hub guides users through each stage of business development — from idea to growth — with curated resources, tools, and a growing network of support.

Key Features

Step-by-Step Tracks: Organized lessons and resources based on their stage in the entrepreneurial journey.

Curated Resource Library: Over 185 resources including financial tools, business planning guides, legal templates, grant opportunities, and more.

Events Calendar: Updated listings of local and virtual events from 100+ partner organizations.

Language Accessibility: Website available in 6 languages.

Who We Serve

- A growing community of over 1000 registered users.
- Users who need support in both English and Spanish.
