

NATIONAL ABLE NETWORK BUSINESS SOLUTIONS

BUILDING YOUR WORKFORCE

National Able has access to subsidized training funds that can help your business grow.

OUR SOLUTION:

On-the-Job Training (OJT) provides reimbursements to employers to help compensate for the costs associated with skills upgrade training for newly hired employees. OJT training can assist employers who are looking to expand their businesses and who need additional staff trained with specialized skills.

Customized Training is designed to meet the specific requirements of an employer or group of employers with the commitment that the business or businesses employ an individual(s) upon successful completion of the training.

Incumbent Worker Training provides existing employees with subsidized training on new technologies.

Paid Work Experience (PWE) and Internships are planned, structured learning experiences that take place in a workplace for a limited period of time at no cost to the employer.

Apprenticeships are an employer-driven, “learn while you earn” model that combines on-the-job training with job-related instruction in curricula tied to the attainment of industry-recognized skills standards.
